Dear Parent or Guardian,

In December 2015, the Every Student Succeeds Act (ESSA) was signed into law. Highlights of ESSA include holding all students to high academic standards and ensuring that the lowest-performing schools are provided the appropriate supports for school improvement.

The purpose of this letter is to notify you about important information regarding your child's school. The Nevada School Performance Framework (NSPF) is a critical part of the Education Performance System and utilizes a five-star classification approach.

Doris French Elementary School has been classified as a two star school.

The following have been identified as goals for the 2023-2024 school year:

- Increase the percentage of students meeting or exceeding growth targets in reading by 5%
- Use data in a high quality manner to drive high-quality instruction for all students
- Decrease the number of major behavior incidents

To meet these goals, French Elementary School is using allocated Title I funding to hire teachers for class-size reduction, utilize CTTs for reading and math interventions purchase instructional software, including STARR Assessments, and Title I Pre-K.

For more information about the progress being made relative to these goals, please review the School Performance Plan on your school's website. Additionally, your school's rating report is available at [www.nevadareportcard.com](http://www.nevadareportcard.com).

Parent engagement is critical to the success of students; therefore, you are encouraged to become involved in the academic progress of your child's school. Please visit your school to obtain information about opportunities for involvement. Together, we can make a difference.
