Dear Parent or Guardian,

In December 2015, the Every Student Succeeds Act (ESSA) was signed into law. Highlights of ESSA include holding all students to high academic standards and ensuring that the lowest-performing schools are provided the appropriate supports for school improvement.

The purpose of this letter is to notify you about important information regarding your child's school and to detail the protocol for measuring the academic performance of public schools in Nevada. The Nevada School Performance Framework (NSPF) is a critical part of the Education Performance System and utilizes a five-star classification approach. Due to the extraordinary circumstances created by the COVID-19 pandemic, school accountability designations from the 2020-21 school year will be maintained in the 2021-2022 school year.
